

ANNUAL REPORT 2018

CHEMEKETA COMMUNITY COLLEGE FOUNDATION

Dear Friends,

The 2018 Annual Report honors and thanks the more than 700 donors who support student success at Chemeketa Community College.

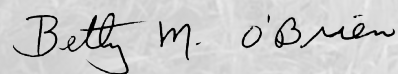

Scholarships and other types of financial support make the difference for our students to stay enrolled in classes. We often hear from students that the added benefit of being a scholarship recipient is knowing someone believes in them.

As educational costs rise, donor gifts become even more vital. Our emergency fund supports students with an unforeseen financial crisis that could affect their education. Donors help support the Chemeketa food pantry for students facing food insecurity. Industry partners donate tools, materials and supplies to help educate students to be workforce ready using state-of-the-art equipment.

Many of our students have their first college experience at Chemeketa and go on to earn a bachelor's degree. Others find their way to a career technical education program with a direct path into the workforce. For some students, Chemeketa offers them an opportunity to seize a second chance at an education, often influencing their own children to value higher education.

On behalf our Foundation Board of Directors, thank you for making college possible and changing the lives of Chemeketa Community College students.

Sincerely,

Betty M. O'Brien

STUDENT PROFILE

Moving On

I escaped an abusive marriage and had to leave everything I had and knew behind. After relocating to Salem, I lived out of my car until I found a place to live. I worked tirelessly at odd jobs to save for an apartment and to be able to enroll at Chemeketa. I encountered unexpected medical expenses that depleted my savings. I sold my furniture, worked two student jobs and even panhandled to get by. I cut all spending, including my grocery bill, trying to live on \$90 a month. It still wasn't enough for me to survive and pay for school. Thankfully, Chemeketa staff connected me with the Student Relief Fund. Without these emergency funds, I would have lost my apartment and would have had to drop out of school in the middle of the term. I am eternally grateful to the donors who help support the Student Relief Fund and the food pantry. Without their support, I wouldn't have made it. The Student Relief Fund saved my life and gave me the opportunity to continue my work towards a brighter future. I relish the day that I'm able to pay it forward and positively impact someone else's life."

Amber

Student Relief and Retention Fund

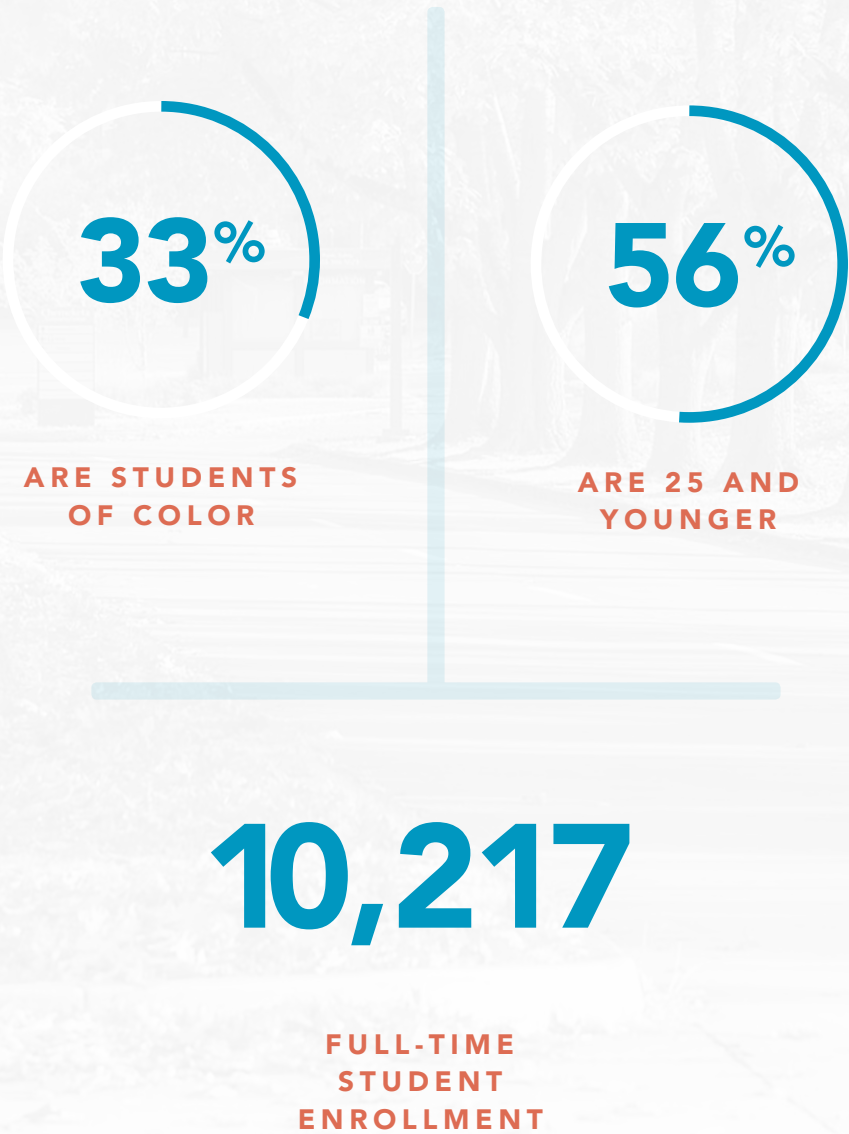

Gifts to this fund help stock the on-campus food pantry and support one-time emergency grants to help students with unforeseen expenses not covered by scholarships or financial aid. Hunger and unexpected costs, such as a car repair or loss of housing, can be disastrous to a student's education.

Just last year, there were more than 4,200 visits to the college's Salem-campus food pantry and more than 40 students received emergency financial support. By providing students with one-time financial assistance, when there are no other resources available, the college is able to help keep students enrolled and moving forward.

STUDENT DIVERSITY

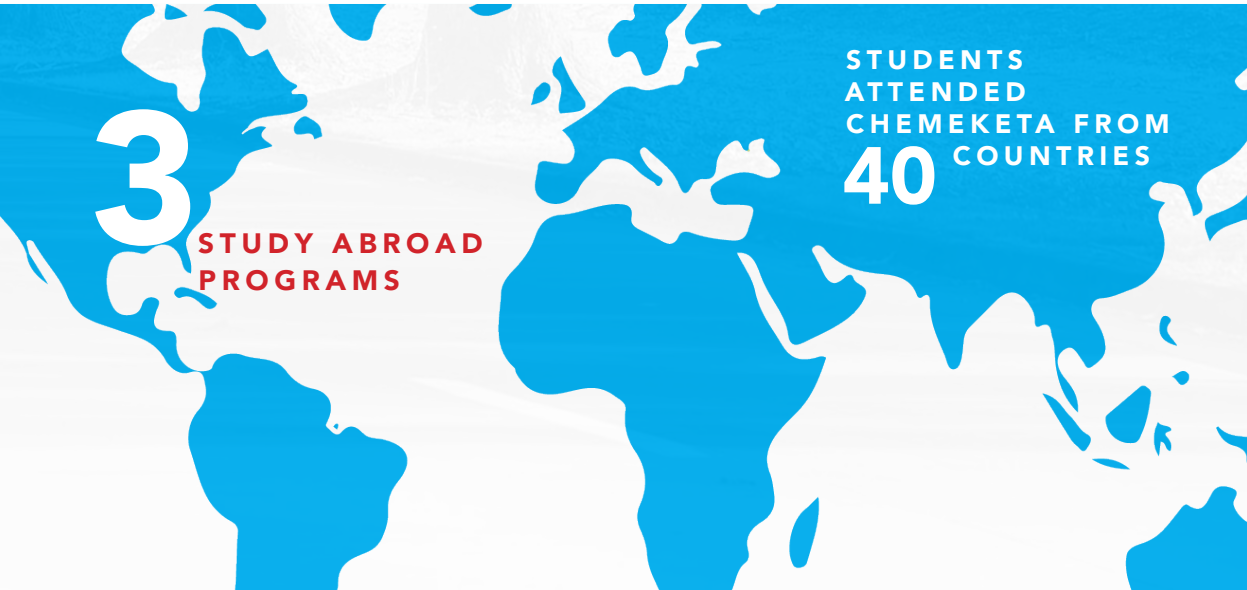

Chemeketa is a college community enriched by the diversity of our students, staff and community members.

We are proud that our students have the opportunity to learn from people of different backgrounds, experiences, preferences, life stages and worldviews.

"I ALWAYS DREAMED OF ATTENDING COLLEGE EVER SINCE I WAS A KID. AFTER EARNING MY GED AND TAKING ENGLISH CLASSES AT CHEMEKETA, I WAS EXCITED TO START THE AUTOMOTIVE PROGRAM. I WAS DOING WELL IN MY CLASSES, BUT I COULDN'T COMPLETELY FOCUS BECAUSE I HAD TO WORK TO SUPPORT MY WIFE AND SON. THIS SCHOLARSHIP HELPED ME CUT BACK ON MY WORK HOURS TO MAKE MORE TIME FOR MY STUDIES."

PAUL AND CAROL MANKA FIRST GENERATION SCHOLARSHIP

Second Chances

As a child, I was raised by a teenage mother who was not ready to be a parent. Much of my early memories involve different apartments, different men, and a sad and broken woman. As a young adult, I was irresponsible and turned to drugs and crime. Today, I have almost 6 years of being clean and sober. I work at two different drug and alcohol agencies in Salem helping others overcome similar challenges. I have found a passion in helping those who are lost. I'm currently enrolled in the Human Services Addiction Studies Program with the ultimate goal of continuing my education and earning a master's degree. I want to work with marginalized populations and help them learn how to reintegrate back into society. I heard a statistic that stated that over 90% of all homeless, drug addicted, and incarcerated Americans had suffered from some sort of trauma as a child. My career goal is to find these people and help them to begin to heal. This scholarship reinforces everything I am working for."

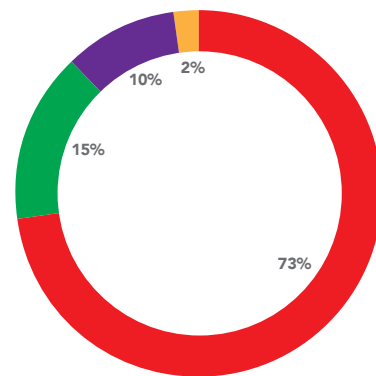

Jacob

Achieving Dreams

I began my college career 11 years ago. In the middle of my journey, I got married and had two beautiful children. I was the first in my family to pursue a degree and knew I didn't want to give up on my dreams. I decided it was time to go back to school to finish what I started. My first year of the nursing program presented many challenges. It wasn't easy between working part-time, being a full-time nursing student and balancing family life. This year, I started my second year of the program. One thing that I have proved to myself is that quitting is not an option. This scholarship has encouraged me to continue. It allows me to work less, focus more on my studies and spend time with my family. The need for health care will only continue to grow within the next 25-50 years, and I am excited to have the knowledge and skills to serve this need."

Opening Doors

As a child, I learned how to speak Cantonese, Vietnamese and English. When my family and I immigrated from Hong Kong to California, my parents didn't understand English or American customs. I had to translate for them using all three languages. Even though I've been translating for them for decades, translating my coming out speech to my father was the hardest thing. I came out the week before my 25th birthday. I told him about the struggles I faced, the worries I had, and the LGBT-related achievements I received while growing up. My father called me selfish when I came out to him. At that moment, I felt I had lost all sense of family support. The struggles, worries, and achievements I told him about went unacknowledged. It was as if the last 20 years of security I provided my parents meant nothing to them. It wasn't until I received this scholarship that things started changing. It helped re-open a conversation with my parents about my identity and gave me hope. For that, I am especially grateful."

"I AM A PROUD COMMUNITY COLLEGE GRADUATE MYSELF. I'VE SEEN AND HEARD FROM OUR STUDENTS HOW IMPORTANT THESE SCHOLARSHIPS ARE TO THEIR SUCCESS. BEYOND TUITION AND FEES, STUDENTS HAVE TO PAY FOR HOUSING, TRANSPORTATION, FOOD, BOOKS, CHILDCARE, ETC. SCHOLARSHIPS HELP ALLEVIATE SOME OF THEIR FINANCIAL BURDEN AND GIVE OUR STUDENTS THE MOTIVATION TO SUCCEED."

JULIE HUCKESTEIN
PRESIDENT/CEO

Top to bottom: Julie Huckestein, David Hallett, Nancy Duncan and Betty O'Brien.

Welcome, Linda

As a former director of Chemeketa's College Assistance Migrant and High School Equivalency programs, I saw firsthand how students struggle to complete their education due to financial challenges. When I retired in 2018 after 30 years with the college, I knew my work was not over. I was invited to join the Foundation's board of directors with the goal of helping make college possible for Chemeketa students. My passion for helping students was in perfect alignment with the Foundation.

I grew up in a family who traveled to Oregon, Idaho and Washington to work the agriculture seasonal crops. Having always loved school, I aspired to go to college and dreamed about having a stable financial life for my family.

I created a scholarship to inspire future leaders. I want to help aspiring Latino business owners. I want students to be taught by educators that come from similar backgrounds, and give students a chance to see that teaching is an option for them. I want to help close the racial gap in STEM programs by supporting underrepresented individuals in science, technology, engineering and math careers. I want students like me to know that their dreams are possible.

I am thrilled to be partnering with the Chemeketa Foundation to make that happen.

“RECEIVING THE NATE TURNER MEMORIAL SCHOLARSHIP WAS SO MEANINGFUL TO ME BECAUSE I MET HIM WHEN I WAS JUST A KID. HE WAS A ROLE MODEL FOR ME, AND I HOPE TO BE AS CARING AS HE WAS. THANK YOU FOR THIS INCREDIBLE OPPORTUNITY TO FOLLOW IN HIS FOOTSTEPS AS I PURSUE A CAREER IN FIRE SCIENCE.”
